## **STRUCTURAL STABILITY CERTIFICATE**

Certified that **Gaurav Palace**, with Plot No: 407(P), 166/622 with Khata No 41 under Cuttack Municipality is a five storeyed building (meant for academic institutions) located at Chahata, MathaSahi, Tulasipur, Cuttack, Odisha-753008 and it is having a total land area of 1.22 acres. The total floor area of the building in five floors including the ground floor is 3009m<sup>2</sup>. Presently the Institute of Management and Information Technology is running under this building on monthly rented basis since 1.8.2020 as per the decision of the Govt of Odisha and the District Magistrate, Cuttack. The building is 8years old.

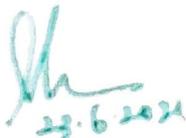

The structural concept of the building with regard to column and beam positions is prepared based on the functionality, structural safety, stability, serviceability, economy and aesthetic requirements complying the architectural drawings. The structural design satisfies all the safety, stability and serviceability requirements to sustain all kinds of loads and forces likely to act during the life span of the structure as per relevant Indian Standard Codes of practice.

This certificate is issued to the Institute for AICTE requirements.

Signature of Structural Engineer
